JUDGE RUMMY in "TURN TO THE RIGHT LEG."

Judge Rummy is confined to his room with a cold, and Silk Hat Harry sneaks in to play poker with him. While they are in the middle of a big pot, with lots of money on the table, Mrs Rummy enters. Harry hides, but Mrs Rummy spies the money and takes it, putting it into her stockings. She then sits down to knit, and Rummy creeps in to steal it. Harry cannot see him getting all the money, so he creeps under the table to join Rummy, claiming the right leg. After some discussion they decide to high spade for the right leg.

Rummy wins this, takes the money and leaves Harry to take the other leg. Just as he is about to cut the stocking, a mouse comes out and scares Mrs Rummy. Harry is caught and thrown through the window.

Some time later, Harry disc vers Rummy at a restaurant, with a girl, and all the money loose in his pocket. Before the check is brought in, Harry takes the money. Then Mrs Rummy enters, and there is no question as to who will pay the check. Rummy leaves the restaurant with his heels dragging on the floor, and Harry has the girl.
